Declaration concerning RoHS (Restriction of Hazardous Substances Directive)

The reduction of harmful substances in electric and electronic products is an important contribution for the protection of the environment that deserves our highest priority. Accordingly for Kniel the implementation of Directive 2011/65/EC (RoHS 2) has top priority.

We confirm the conformity with directive 2011/65/EC of all power supplies made by Kniel System-Electronic GmbH that are marked with a respective sticker on the housing.
