Declaration concerning the Dodd-Frank Act (Conflict Materials)

We get many requests regarding the “Dodd-Frank Act” or “Conflict Material”. Please understand that we cannot fill every single sheet as it is very time-consuming.

We asked our suppliers regarding the “Dodd-Frank Act” or “Conflict Material”. All of the important ones confirmed us that they don’t use any conflict material from the corresponding countries and regions.

Karlsruhe, 06.06.2017

Lothar Droll  
Prokurist
